### E-Safety

We are very fortunate to have the ability to access everything through the Internet. Although the internet can be a very useful tool, we as educators and parents must support our children to understand how to keep safe online. When allowing your children to play games, please ensure that these are age appropriate and if your child has a mobile phone, we recommend that you monitor their activity closely. Following a few concerning incidents, we would like you to speak to your children regarding e-safety. Through assemblies and computing lessons these areas are addressed, however we would like your continued support with this at home.

If you would like further support with this, please use the link below.

### Farewell

It is with a heavy heart that we will say goodbye to Mrs Beynon at the end of this half term as she has decided the time has come for her to retire. Mrs Beynon has worked in the school for over 23 years and she has helped hundreds of children in her time here. She will be greatly missed. If you would like to come along, we will be holding an afternoon tea on Thursday 13th Feb from 5-7pm to say thank you for everything she has done. We hope that you can join us. Please let the Junior Office know if you are able to attend.

### Upcoming events

Monday 20th January—9.10am Class 5B assembly

Monday 20th January—Year 1 Victorian Day ( Please remember to dress up)

Tuesday 21st January—Around the World Drama Workshops ( EYFS)

Wishing you all a wonderful week.

A handwritten signature in black ink, appearing to read 'Miss Cannon &amp; Mrs Porter'.
