Wednesday 18th March 2020

Dear Parents and Carers,

In the event of school closures, we have put together some activities that the children can do during this period.

The Infant School will have the following home learning:

- There will be some English and maths sheets to complete
- They will also be given 2 reading books to work through
- We would also encourage you to continue with Reading Eggs
- You can also log onto Forest Phonics.

If your child is in Nursery or Reception, please could you ensure you have signed up to Tapestry and you can add any home learning activities that take place so we can see all the wonderful things you will do at home.

The Junior School will have the following home learning:

- 5 pieces set on My Maths
- Times table Rockstars practise
- They should also practise the statutory spelling word lists
- The children will be given a homework grid covering the topics for the summer term. As always, the children in Year 3 and 4 should do at least 3 activities as well as 1 R.E activity. The children in Year 5 and 6 should do at least 4 activities and 1 R.E activity. They can of course do more than this as they will have some time on their hands.
- Year 6 will work through the SATs packs and the grid homework if they wish.

All Children:

There are many sites that you can use as well. Twinkl is offering free membership for parents and there is a wealth of various learning activities and online games that the children can do.

www.twinkl.co.uk/

Times table Rockstars are also offering free sign up so the children can practise their times tables.

trockstars.com/

There are several other sites offering free resources for you to use during this time. Here is a link to some fun, free educational sites.

<https://www.help-teaching.com/blog/top-100-free-education-sites.html>

Try to take the time to spend quality time together, play games, do puzzles, bake, have story time and enjoy each other's company.

Please hold onto the packs and only use them if and when the school closes.

We wish you all good health and we thank you for your support in these uncertain times.

God Bless.
