

# Home Learning

## Easter

### Personal, Social and Emotional

- Play 'Bunny, Bunny, Rabbit'. A variation on the game 'Duck, Duck, Goose'.
- Make an Easter basket and give it to someone.

### Communication and Language

- Share Easter or Spring stories - talk about the characters, settings and how characters are feeling.
- Can you act out or re-create a story?

### Physical

- Egg and spoon races
- Egg Toss - Throw an egg between 2 people. With every catch, move a step back.
- Hardboiled eggs for both games make it less messy!

### Literacy

- Sing Nursery Rhymes - focus on the rhyming words. Make a mistake - does that rhyme?
- Listen to the Jolly Phonic Song for Phase 2 phonics.
- Play 'I Spy'. Focus on initial sounds.

### Maths

- Make Easter nest cakes using your chosen cereal and melted chocolate.
- Easter egg hunt: How many eggs did you find? Can you draw a map and/or describe their position?

### Understanding the World

- Go on a nature walk. What new life can you see?
- Grow your own flowers - make sure you look after them!

### Expressive Arts and Design

- Make your own Easter Cards.
- An example would be to make fingerprint bunnies and chicks.

### R.E

- Read the Easter Story together.
- Reflect how we are living like Jesus this Lent - have we achieved our Lenten promises?

Please make use of the free Twinkl resources available using the code 'UKTWINKLHELPS'  
Best wishes and health to you all.
